MANAGEMENT DISCUSSION AND ANALYSIS

INDUSTRY STRUCTURE :

The real estate sector in India has emerged as one of the most dynamic sectors. The country's real estate sector is witnessing changing trends with every passing day. Currently, the real estate market is flooded with low cost, medium or with luxury housing projects. Now-a-days, more and more builders and developers are hooked on to medium housing segment realizing its vast potential in the country.

The real estate companies are coming up with various residential and commercial projects to fulfill the demand for residential and office properties in Tier-II and Tier-III cities. The growth in real estate in Tier-II and Tier-III cities is mainly due to increase in demand for organized realty and availability of land at affordable prices.

Today, India is one of the fastest growing economies in the world. The Indian construction industry is an integral part of the economy. It is poised for growth on account of industrialization, urbanization, economic development and people's rising expectations for improved quality of living. Construction is expected to be the biggest beneficiary of the surge in infrastructure investment.

The Construction Sector is a major employment driver, being the second largest employer in the country, next only to agriculture. This is because of the chain of backward and forward linkages that the sector has with other sectors of the economy. About 250 ancillary industries such as cement, steel, brick, and timber and building material are dependent on the construction industry

The Indian Real estate market size is expected to touch US\$ 180 billion by 2020. The demand is expected to grow at a compound annual growth rate (CAGR) of 19 per cent between 2015 and 2020, with tier I metropolitan cities projected to account for about 40 per cent of this.

With property boom spreading in all directions, real estate in India is touching new heights. However, the growth also depends on the policies adopted by the Government to facilitate investments mainly in the economic and industrial sector. The new stand adopted by Indian Government regarding foreign direct investment (FDI) policies has encouraged increasing number of countries to invest in Indian Properties.

OPPORTUNITIES AND THREATS :

OPPORTUNITIES:

The long term view on the Indian Real Estate Industry is positive, because of fundamental demand drivers such as increasing urbanization, favourable demographics, growth of the service sector, and rising incomes etc. Indian Real Estate has good potential for demand in almost every sector particularly housing. This is growing at satisfactory pace of almost 30 percent per year. The Government has been pragmatic and supportive in its approach in reducing interest rate on housing and providing finance through bank for property development projects. We are hopeful of a good demand for residential property in the future.

THREATS:

The slowdown of consumer demands and reduction of real estate prices, affect the momentum of growth of the Company. Real estate business of the Company is dependent on the performance of the real estate market in India. Fluctuations in market conditions affect capacity of the Company to sell projects at expected prices, which could unfavourably affect the revenues and earnings. Potential limitations on the supply of land could reduce revenues of the Company or negatively impact the results of its operations. Real estate business is subject to extensive Statutory or Governmental regulations.

Change in the policies of the Government affects the prospects of business. Labour problems also adversely affect the business. Sanctions and permissions from various authorities is slow and time consuming and could have some impact on the operations of the Company.

SEGMENTWISE PERFORMANCE:

The company has mainly one reportable business segment. Hence no further disclosure is required under Accounting Standard (AS) 17 on Segment Reporting.

RISKS AND CONCERNS:

A big risk which the developers are facing is the price risk. Cost of land has the maximum impact on the margins of the developers, because land cost accounts for a large portion of the constructed property. The other risk to which the developers are exposed is demand risk like the ability to sell properties based on location, brand, track record, quality and timelines of completion. There is Finance Risk also. Low availability of funds coupled with high rate of interest is also a major risk for real estate industry. Uncertain interest rates lead to uncertainty in the real estate market. This trend of rising interest rate dampens the growth rate of demand for housing units. Change in Government Policies including change in Tax structure also affects the Progress of the Real Estate Industry. The Indian Real estate market is still in its infancy, largely unorganized and dominated by a large number of small players, with very few corporate or large players having national presence. The Construction Industry is still subject to a number of taxes and is considered as one of the over burdened tax segment.

The Company will continue to remain alert and adapt to the evolving market realities and will like to remain proactive in scheduling the construction and sales based on these market realities.

INTERNAL CONTROL:

The Company has an internal control system, which ensures that all transactions are satisfactorily recorded and reported and all assets are protected against loss from unauthorized use or otherwise. The Internal Control Systems are supplemented by an Internal Audit system. The findings of such Internal Audits are periodically reviewed by the management and suitable actions taken to address the deficiencies, if any noted from such audits. The Audit Committee of the Board meets at regular intervals and addresses significant issues raised by both the Internal Auditors and the Statutory Auditors. The process of internal control and systems, statutory compliance, information technology, risk analysis and risk management are inter- woven to provide a meaningful support to the management of the Company.

PROSPECTS AND FUTURE OUTLOOK:

Indian economy is marching ahead and the growth in GDP is likely to be in double figures. In this scenario, the need of the hour is expeditious development of infrastructure as delivery systems have to keep pace with the other sectors of the economy. Thus residential infrastructure is bound to grow at least at twice the rate of growth of GDP. The growth in residential real estate development is driven by rising disposable income, lower interest, increased urbanization, changing pattern from joint family to independent family and demographic factors etc. Thus the outlook for the company looks very encouraging in the coming years, as it engages mainly in residential estate development as its core area.

CAUTIONARY STATEMENT:

This management discussion and analysis contains forward looking statements that reflect our current views with respect to future events and financial performance. Our actual results may differ materially from those anticipated in the forward looking statements as a result of many factors.

Independent Auditors' Report

To the Members of
Yuranus Infrastructure Limited

Report on the Financial Statements

1. We have audited the accompanying Financial Statements of **Yuranus Infrastructure Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2015, the Statement of Profit & Loss and the Cash Flow Statement for the year then ended and a Summary of Significant Accounting Policies and other Explanatory Information.

Management's Responsibility for the Financial Statements

2. The management and Board of Directors of the Company are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("**the Act**") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with rule 7 of Companies (Accounts) Rules, 2014. This responsibility includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; design, implementation and maintenance of adequate internal financial controls, that are operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.
5. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.
6. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements, that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's management and Board of Directors, as well as evaluating the overall presentation of the financial statements.
7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Accounting Principles generally accepted in India of the state of affairs of the Company as at March 31, 2015 and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

9. As required by the Companies (Auditor's Report) Order, 2015 ("**the Order**") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure a statement on the matters Specified in paragraphs 3 and 4 of the Order.

10. As required by section 143(3) of the Act, we further report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
- b) In our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
- c) The Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the applicable Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules 2014.
- e) On the basis of written representations received from the directors as on March 31, 2015, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2015, from being appointed as a director in terms of Section 164(2) of the Act.
- f) In our opinion and to the best of our information and according to the explanations given to us, we report as under with respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014.
- i) The Company does not have any pending litigations which would impact its financial position.

NOTE 1:- SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

- The financial statements have been prepared and presented under historical cost convention on the accrual basis of accounting in accordance with the Generally Accepted Accounting Principles in India (“GAAP”) and comply with the mandatory Accounting Standards (“AS”) as notified as per the Companies Accounting Standards (Rules), 2006 to the extent applicable , the provisions of Companies Act, 2013 (to the extent notified) and with the relevant provisions of the Companies Act, 1956 (to the extent applicable).
- Accounting policies not specifically referred to otherwise are consistent and in consonance with generally accepted accounting principles.

2. Use of Estimates:-

The preparation of financial statements requires management to make estimates and assumptions that affect the reported amount of assets and liabilities and disclosure of contingent liabilities on the date of financial statements and reported amount of revenues and expenses for the year. Actual results could differ from these estimates. Difference between the actual result and estimates are recognized in the period in which the results are known/ materialized. Any revision to an accounting estimate is recognized prospectively in the year of revision.

3. Revenue Recognition :-

Income/Expenses are accounted for on accrual basis and provisions are made for all known expenditure.

4. Fixed Assets:-

Fixed assets are stated at their cost on acquisition less accumulated depreciation. Cost of acquisition is inclusive of freight, duties and other directly attributable cost incurred to bring the assets to their working condition for use.

5. Depreciation:-

Depreciation is calculated on Straight Line Method at the rates and in the manner prescribed in Schedule II of the Companies Act, 2013

6. Inventories:-

NIL- However the closing stock of are valued at Cost or Market Value whichever is lower on FIFO basis

7. Taxes on Income:-

Provision for Current Tax is made on the basis of estimated taxable income for the current accounting period and in accordance with the provisions as per the Income Tax Act, 1961.

Deferred Tax resulting from "timing difference" between book and taxable profit for the year is accounted for using the tax rates and laws that have been enacted or substantially enacted as on the balance sheet date. The deferred tax asset is recognized and carried forward only to the extent that there is a reasonable certainty/virtual certainty that the assets will be adjusted in future.

8. Micro, Small and Medium Enterprises Development Act, 2006

1. Based on the information available with the Company in respect of MSME (as defined in the Micro Small & Medium Enterprise Development Act, 2006) there are no delays in payment of dues to such enterprises during the year.
2. Companies has send letter to suppliers to confirm whether they are covered under Micro, Small and Medium Enterprises Act, 2006. As on date, the Company has not received confirmation from any suppliers who have registered under the "Micro, Small and Medium Enterprise Development Act, 2006" and hence no disclosure has been made under the said Act. And on the basis of information available with the Company there are no such parties in respect of MSME. This has been relied upon by the auditors.

9. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made.

Contingent liability is disclosed for:

- i) Possible obligations which will be confirmed only by future events not within the control of the Company or,
- ii) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent Assets are not recognized in the financial statements since this may result in the recognition of income that may never be realized.

10. Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transaction of a non-cash nature, any deferral or accruals of past or future operating cash receipts or payment and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

11. Earning Per Share

The Company reports basic and diluted earnings per share in accordance with Accounting Standard issued by the Institute of Chartered Accountant of India. Basic earnings per share are computed by dividing the net profit for the year by the Weighted Average Number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the net profit for the year by weighted average number of equity shares outstanding during the year as adjusted for the effects of all dilutive potential equity shares except where results are anti-dilutive

12. Segment Information

The Company deals in only one reportable segment i.e Infrastructure and hence requirement of Accounting Standard 17 “Segment Reporting” issued by ICAI is not applicable.
